Lengths development is our **Group 5** class which is equivalent to Swim England Stage 8/9. Once your child is in this class she/he may attend up to 2, one-hour sessions per week. Swimmers can chose to attend on Thursday, Saturday or Sunday (although the day must be agreed in advance with Admin)- price for the term is **£154**.

2nd lesson for groups 1-4: Everyone learns at different pace, however, booking a 2nd lesson would help to reinforce the learning process and prevent skill regression. We can offer a 2nd lesson for 2/3 of the full price (£56) but this is dependent on space availability. You can still book two consecutive lessons (in group 2 and above) for the full price.

Romford Town Swimming Club's principal aim is for your children to learn an essential life skill and enjoy doing so. We follow the Swim England (ASA) Learn To Swim program and all of our poolside teachers are qualified and DBS checked. At some sessions we have in-pool water assistants to encourage less confident swimmers in their early lessons.
